

Wind some

15. xi. 1903.

Edna M. Mason.

I think the enclosed will do  
 as well. If you will send me 20  
 copies of the invitation as pamphlets  
 with <sup>a dozen</sup> addresses to the best teachers  
 in this district. If any of them cannot  
 come I will do my best to fill  
 their places immediately.

I propose to send me to the town,  
 The Craig, Wind some, who has a  
 small boys school. He is a very  
 old friend of mine, & somewhat of a

his work & ought for the good & his  
and to be impregnated with some of  
your wholesome doctrines. Another  
invitation I should propose to send to  
help Brown. Headmistress of the  
Girls' High School at Kendal &  
get another to help Cropper as a  
sustaining member of the  
Westminster L. E. A. May I  
have your permission to do so?

I am very much in search  
about this enterprise & I should

like to see an experiment made in  
an average County School.

With kindest regards

Very sincerely yours

E. Wym. Williams

of course you are  
capable. I know  
of Mr. Brown & should  
like to see his help.  
What about Mr. Zeller?  
I would - naturally but  
ask on your own conclusion.

I assume that you  
will take the train -  
I know you can  
bid me adieu  
at the right moment -  
I have put off writing  
as I think we must  
have 2 hrs for talk -
